Civics for Change

SCHEDULE YOUR EVENT

The best times to phone bank are M-TR 5-8PM, Sat 10-5PM and Sun 10-8PM, shifts can be expanded closer to the election. You should aim to host events on the same day and time multiple times a week. At least two times a week will give callers a chance to attend.

CONTACT THE CAMPAIGN

They're a several formats and platforms for making calls. From printed to virtual phone lists, online databases and autodialers. The campaign can provide you with access, training, a script, and a representative from the campaign to stop by.

PROVIDE TRAINING AT THE START OF EVERY PHONE BANK

Start off each event reviewing the script, links to resources, background information, and status updates. Overall, answer callers questions so they are confident making calls. Returning callers can check in, get updates and get started on their own. Have everyone return at the end of the shift to debrief and share stories and confirm their next shift. Consider assigning "captains" to staff shifts.

BEST PRACTICES

Be friendly & persistent, set goals for you and your volunteers (i.e. so many calls in a shift). Follow the script, they are tested and proven to work. Remind your callers to Smile as they dial, phone banking is one of the most effective tools to support a campaign and a great chance to connect with the community.

"THAT'S UNCONSTITUTIONAL!"

THAT'S UNCONSTITUTIONAL!

An action (law, interpretation, implementation) by the government is unconstitutional if it violates express or implied powers or protections granted by the constitution. Unconstitutionality is determined by the courts.

WHAT IS IN THE CONSTITUTION?

- 7 Articles which outline structure and operation
- 27 Amendments

A SYSTEM OF CHECKS AND BALANCES

Legislative authority is checked and balanced by:

- The Executive Branch through veto power and serves as a tie-breaker in the Senate.
- The Judicial Branch through interpretation and rulings of unconstitutionality.

Executive authority is checked and balanced by:

- The Legislative Branch by oversight, approval of appointments (judges, department heads, etc.) and treaties, veto override (2/3 of members), and impeachment.
- The Judicial branch through interpretation and rulings.

Judicial authority is checked and balanced by:

- The Executive branch through the appointment of judges.
- Legislative banch through the approval of those appointments and the power of impeachment of judges.

"THERE OUGHT TO BE A LAW!"

How a bill becomes a law in five "easy" steps.

STEP 1

The bill is drafted and introduced to either the House or Senate

STEP 2

The bill goes to committee

Step 2a: Subcommittee review

Step 2b: Committee mark up of the bill

Step 2c: Committee "votes bill out" to the full "chamber"

STEP 3

Voting by the full chamber on the bill

Step 3a: Bill may be amended

Step 3b: Floor debate, unlimited debate unless Senate votes for "cloture" to vote or filibuster, minimum of 60

Bill

Law

STEP 4

Referral of bill to the other chamber

Repeat steps 2 & 3

STEP 5

Bill is passed

The identical bill is passed by each chamber, then sent to President for their approval.

RULES TO KNOW

WHAT IS A FILIBUSTER?

Senate rules allow a "filibuster"- a delay of action on legislation.

Traditionally a filibuster was intented to open debate on the legislation, Use of the filibuster has evolved to allow Senators to call a filibuster without opening the issue to debate, and the legislation is not considered. A fiibuster can be stopped by a "cloture" vote.

The filibuster does not apply to reconciliation, appointment of judges and the cabinet. The filibuster rule can be changed or

WHAT IS CLOTURE?

amended by the Senate.

Colture ends debate on a bill and submits it for a vote - requires 60 votes

WHAT IS RECONCILIATION?

Reconciliation is any measure (bill, resolution) pertaining to revenue, taxes, and debt limit and can be approved by a simple majority (51 votes in Senate).

WHAT KIND OF GOVERNMENT ARE WE?

"Federal" (3 levels of government), "representative, democratic" (people have means to control government), "republic "(people choose elected delegates)--

"THROW THE BUMS OUT!"

"THROW THE BUMS OUT!" TYPES OF ELECTIONS

General Election

An election to fill a public office-for federal offices elections happen in even number years.

Primary Election

An election to place a candidate on the ballot for the general election on a political party's "ticket".

Open Primary

Voter selects a party on election day in order to pick which candidates they wish to voter for.

Closed Primary

Only voters who are registered with a party may vote in that party's primary

Top Two Open Primary Systems

All candidates for all parties are listed by office, the top two with the most votes compete in the general election.

Run-Off Primary/Election

A follow-up primary or election when no candidate wins the majority - typically at least 50%.

Ranked Choice Voting (RCV)

Voters rank candidates by preference on their ballots. If a candidate wins a majority of first-preference votes, they are declared the winner. If no candidate wins a majority of first-preference votes, the candidate with the fewest first-preference votes is eliminated. The second choice votes are added to the vote totals until a candidate meets the minimum threshold (i.e. 50%)

Election Jargon - A Baker's dozen

Absentee Ballot

A ballot completed and typically mailed in advance of an election by a voter who is unable to be present at the polls.

Ballot Initiative

A procedure allowed in a number of states under which citizens are able to vote to change a law.

Battleground States

A large state with an electorate split relatively evenly between Democrats and Republicans - so named because candidates spend a disproportionate amount of time and money campaigning there.

Blue State

A state where people tend to vote for the Democratic Party.

Candidate Committee

A committee formed by a candidate to accept contributions and make expenditures under the candidate's authority to support a bid for election.

Congressional District

(PAC) Political Action Committee

An organization formed to promote its members' views on selected issues, usually by raising money that is used to fund candidates who support the group's position.

Popular Vote

The votes made directly for a candidate.

ELECTION JARGON - A BAKER'S DOZEN CONT'D

Precinct

A voting district-the smallest unit into which electoral districts are divided. Precinct chairs often elect party officials.

Red State

A state where people tend to vote for the Republican Party.

Registered Voter

A citizen who has registered with election officials in order to become eligible

ADMINISTRATION OF ELECTIONS

While the Federal Government has jurisdiction over federal elections, most elections are decided at the state level.

STATE ROLE

- State law generally governs elecitons that occur in that state.
- State and local officials are primarily responsible for conducting elections.
- The Secretary of State's Office and/or County Clerks are often good resources.

FEDERAL ROLE

- Remember the 13th Amendment-The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any State on account of race, color, or previous condition of servitude.
- The FEC (Federal Election Committee) is responsible for disclosing campaign finance information, enforcing limits, prohibitions on contributions, and overseeing the public funding of presidential elections.

STATE GOVERNMENT - "IT'S THE SAME BUT DIFFERENT!"

"IT'S THE SAME BUT DIFFERENT"

Each State Has a Constitution

- State constitutions follow federal governmental structure
- 3 branches of governenment
 - Legislative
 - Executive
 - Judicial
- A state constitution may include areas not covered by the federal constitution and may offer greater protections, but a state constitution conflict with the federal constitution.

Branches of Government (example Indiana)

- Legislative Branch
 - The General Assembly
 - o Part-time, Citizen Legislature
 - o 100 House Members, elected to two-year terms, each representing a district.
 - 71 Republicans, 29 Democrats
 - Speaker of the House Todd Huston
 - Minority Leader Phil GiaQinta
 - o 50 Senators, elected for four-year terms, each representing a district.
 - 39 Republicans, 11 Democrats
 - Lieutenant Governor President of the Senate
 - Pro-team- Rodric Bray
 - Minority Leader Greg Taylor
 - o Republicans have a supermajority (more than 2/3) in each house. All actions cam be taken without Democrat involvement.
 - Session dates

"IT'S THE SAME BUT DIFFERENT"

Branches of Government (Indiana cont'd)

- Short Sessions in even numbered years
- Special Sessions- at the call of the Governor
- Redistricting Legislature "draws" congresstional districts and districts for state senators and state representatives
 - Districts are drawn after the decennial (10 year) census by the legislature
 - Finding my legislator www.in,iga.gov

What is Gerrymandering? Drawing districts to achieve an unfair advantage for one party. Check out Common Cause of Indiana about non-partisan proposals for fair redistricting.

How does a bill become a law

- Drafted by Legislative Services Agency for Representative or Senator
- Introduced by Representative or Senator
- First Reading assigned to committee
- Heard in Committees amendment and passed to the Floor-or dies in committee
- Second Reading Action on the Floor-amendments allowed
- Third Reading -Yes or no by majority vote
- Transmittal to the other chamber for a repeat of the process
- If the identical bill is passed by both chambers, it goes to he Governor for action signature, veto, or approval without signature after 7 days

The House & Senate are each referred to as "chambers"

A bill is on the "Floor" of the chamber if it is being considered by all members.

"IT'S THE SAME BUT DIFFERENT"

The Executive Branch

- Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Auditor, Attorney General, and Agencies
- Indiana has a "weak Governor" system, which means that a simple majority vote of both chambers can override a veto.
- Implements legislative directives enacted by the legislature

The Judicial Branch

- Supreme Court highest court in Indiana
- Court of Appeals
- Circuit Courts
- Superior Courts

WHO IS IN CHARGE? THE STATES OR FEDS?

The States

Don't forget about the 10th Amendment! Any power not specifically given to the federal government by the Constitution belongs to the States and the people.

- Ownership of property
- Education of inhabitants
- Implementation of welfare and other benefits programs
- Protecting people from local threats
- Maintaining a justice system
- Setting up local governments -- counties and municipalities
- Maintaining state highways and administering local roads
- Regulation of Industry
- Raising funds to support their activities
- Elections Secretary of State
- Insurance

The Feds

But don't forget the Supremacy Clause and the Interstate Commerce Clause

- The federal constitution prohibits states from interfering with federal government's exercise of its constitutional powers, and from assuming any functions that are exclusively entrusted to the ferderal government.
- The federal constitution gives Congress and not the states the power to regulate interstate commerce.
